

FRIENDS OF SEYMOUR LIBRARY

Join your Friends in Seymour's living room!

The Seymour Branch of the Sevier County Public Library System (SCPLS) is unique because it serves patrons who live in three counties (Blount, Knox, & Sevier). More than a collection of books and periodicals, the Seymour Library provides a gathering place for a community without a town hall, computer access for students, researchers, and job seekers, as well as engaging programs for all ages PLUS a cozy reading area!

A small library with a big opportunity, the
Seymour Branch Library needs your support.
